Thursday, May 27, 1982

TWO O'CLOCK P.M.

Prayers by the Rev. *P. McCalman*.

Mr. *Stupich* advised the House of the death of Dr. Lorenzo (Larry) Giovando, a former member of the Legislature.

Mr. Speaker stated that he would convey to the family of the late Dr. Giovando the condolences and sympathy of the Members of the Legislative Assembly.

The Hon. *R. H. McClelland* tabled a document previously referred to by him during the Committee stage of Bill (No. 40).

Mr. *Skelly* rose on a matter of privilege relating to statements made during the Committee stage of Bill (No. 40) by the Minister of Energy, Mines and Petroleum Resources with respect to the document tabled by him this day.

Mr. *Lauk* rose on a point of order, namely, that the Member raising a question of privilege was entitled, in that exceptional circumstance, to make statements in the course thereof which would normally be disallowed as being unparliamentary.

Mr. Speaker ruled that notwithstanding the fact a member was raising a matter of privilege, the use of unparliamentary language may not be allowed.

Mr. Speaker stated he would take the matter of privilege raised by the Honourable Member for Alberni under advisement.

The Hon. *R. H. McClelland* rose on a point of order relating to the tabling of additional documents relevant to the matter of privilege previously raised by the Honourable Member for Alberni.

Mr. *Nicolson* rose on a point of order relating to the matter of privilege taken under advisement.

Mr. Speaker observed that the Honourable Member for Nelson-Creston had raised a matter occurring in Committee of the Whole House which was not reported to him.

Mr. *Barrett* sought leave of the House that the Rules be suspended to consider the matter of privilege taken under advisement by the Chair.

Leave was not granted.

Mr. *Lauk* sought to move a motion pursuant to Standing Order 49.

Mr. Speaker ruled that it was not in order for the Member to invoke Standing Order 49, as the House was not embarked on the order of business of Motions and Adjourned Debates on Motions.

Mr. *Howard* rose on a point of order, namely, that after Introduction of Bills, Standing Order 25 entitled the House to proceed with Motions and Adjourned Debates on Motions and therefore it was in order to invoke Standing Order 49 and asked leave of the House to move a motion.

Mr. Speaker ruled that the business of Motions and Adjourned Debates on Motions was not now before the House and, that by Order of the House, Committee of Supply had precedence over other business, except Introduction of Bills and, by practice of the House, Oral Questions by Members, and further ruled that a member was not entitled to gain the floor under Standing Order 49 at this point in the proceedings of the House.

Mr. Speaker further ruled that gaining the floor on a point of order does not entitle a member to ask leave of the House to proceed to a matter not appointed by the House for its consideration.

The ruling of the Chair was challenged.

Mr. Speaker's ruling was sustained on the following division:

YEAS—29

<i>Brummet</i>	<i>McGeer</i>	<i>Davidson</i>	<i>Heinrich</i>
<i>Mussallem</i>	<i>Phillips</i>	<i>Ree</i>	<i>Smith</i>

<i>Barber</i>	<i>Sanford</i>	<i>Dailly</i>	<i>Barrett</i>
<i>Brown</i>	<i>Levi</i>	<i>Stupich</i>	<i>Macdonald</i>
<i>Barnes</i>	<i>Leggatt</i>		

Order called for "Oral Questions by Members."

Mr. *Barrett* rose on a point of order, namely, that pursuant to previous rulings of the Chair, documents referred to in the course of debate are required to be tabled.

Mr. Speaker observed that the rule of tabling documents had been referred to on many occasions in the House.

Mrs. *Wallace* asked leave, pursuant to Standing Order 35, to move adjournment of the House to discuss a matter of urgent public importance, namely, the imposition of a \$25.00 fee for commencement of an appeal against the granting of a permit for the spraying of herbicides and pesticides.

Mr. Speaker stated he would reserve his opinion.

Order called for Committee of Supply.

By leave, on the motion of the Hon. *G. B. Gardom*, the House proceeded to "Public Bills and Orders."

<i>Barber</i>	<i>Sanford</i>	<i>Dailly</i>	<i>Barrett</i>
<i>Brown</i>	<i>Levi</i>	<i>Stupich</i>	
<i>Barnes</i>	<i>Leggatt</i>		

Bill read a second time and *Ordered* to be placed on the Orders of the Day for committal at the next sitting after today.

Mr. *Mussallem* rose on a point of order, namely, the responsibility of the House to ensure that prior to the taking of a division, the division bells must be appropriately audible to members wishing to participate in a division.

Mr. Speaker stated the point of order would be reviewed by the Chair and that a report would be given to the House at a later date.

Bill (No. 47) intituled *Traffic Victims Indemnity Fund Repeal Act* read a second time and *Ordered* to be placed on the Orders of the Day for committal at the next sitting after today.

The Hon. *D. M. Phillips* made a ministerial statement relating to the granting of contracts and expenditures of money within British Columbia arising from North East coal development.

Mr. *Howard* made a statement relating to the same matter.

By leave, the Hon. *L. A. Williams* made a supplementary answer to a question previously taken on notice.

Mr. Speaker delivered his reserved opinion as follows:

Honourable Members:

Earlier today the Honourable Member for Cowichan-Malahat sought to move adjournment of the House, pursuant to Standing Order 35, to discuss a definite matter of urgent public importance, namely, the charge of a \$25.00 fee for commencement of an appeal against the granting of a permit for the spraying of herbicides and pesticides.

In determining whether such an application comes within the confines of Standing Order 35, I note that Committee of Supply has priority under Orders of the Day and that consideration of the estimates of the Ministries of Agriculture and Food and Environment have not been completed so that a normal parliamentary opportunity will arise wherein the matter may be raised, and accordingly the application fails. (See Sir Erskine May's Parliamentary Practice, 16th Edition, at page 371.)

H. W. SCHROEDER, *Speaker*

On the motion of the Hon. *G. B. Gardom*, the House adjourned at 6 p.m.

TEN O'CLOCK A.M.

Prayers by the Venerable Archdeacon *D. E. F. Moulden*.

Mr. Speaker delivered his reserved opinion as follows:

Honourable Members:

Wednesday last the Honourable Member for Cowichan-Malahat sought to move adjournment of the House, pursuant to Standing Order 35, to discuss a matter of urgent public importance, namely, the request of a public group for a meeting with the Minister of Agriculture and Food in response to a letter from him dated May 7, 1982.

The matter must be urgent, i.e., of recent occurrence, and raised without delay.

At page 370, of the 16th Edition of Sir Erskine May's Parliamentary Practice, this Rule is further qualified:

"The fact that a grievance is continuing is not sufficient if it is not of recent occurrence."

"The fact that new information has been received regarding a matter that has been continuing for some time does not, in itself, make that matter one of urgency."

"If the facts have only been recently revealed, that does not make the occurrence recent."

In the case at hand, this application lacks the essential degree of urgency for debate at this time.
