*Resolved*, That the House, at its rising, do stand adjourned until 2 o'clock p.m. on Tuesday next.

**12** Mrs. *Daily* asked the Hon. the Provincial Secretary the following questions:

With reference to the 1976 Budget Speech—

1. How many with the "conclusion" on pages 34 and 35 were printed and what was the cost per copy?

2. How many of the copies in No. 1 were actually distributed?

3. How many with an expurgated "conclusion" printed only on page 35 were printed and what was the cost per copy?
4. How many of the copies in No. 3 were actually distributed?
5. What was the total cost for printing of the editions mentioned in Nos. 1 and 3?

The Hon. *Grace McCarthy* replied as follows:

- "1. 22,000 copies at 45.4 cents per copy.
- "2. 8,500 copies to date.
- "3. 3,000 copies at 45.4 cents per copy.
- "4. 1,600 to date.
- "5. \$11,341.42."

**97** Mr. *Levi* asked the Hon. the Minister of Consumer and Corporate Affairs the following questions:

With reference to Liquor Control Board employees—

1. What was the number of permanent employees, the total cost of (a) their salaries and (b) their fringe benefits as of April 1, 1975; April 1, 1976; and April 1, 1977?
2. What was the number of temporary or auxiliary employees, the total cost of (a) their salaries and (b) their fringe benefits as of April 1, 1975; April 1, 1976; and April 1, 1977?
3. How many temporary or auxiliary employees have been employed for longer than (a) three months; (b) six months; (c) one year; (d) three years; and (e) five years?

The Hon. *K. R. Mair* replied as follows:

"1. The first and second parts of Question 97 are answered in Schedule One. It should be noted that the figures are as at March 31 of each of the three fiscal years (1974/75, 1975/76, 1976/77), and, as the budgets of Liquor Control and Licensing and Liquor Distribution were not split until April 1, 1977, the figures include both Branches.

"2. On April 1, 1977, after the budget split, the Liquor Control and Licensing Branch showed a complement of 43 permanent employees and two auxiliary employees.

"3. The answer to the third part of the question is contained in Schedule Two. In regard to auxiliary employees, I would like to make the following comments:

- (a) Because a good many auxiliary positions are part-time and (or) seasonal, the number of auxiliaries employed is not a significant measurement in the Liquor Distribution Branch. Of more value would be either man-hours worked or man-hours paid or some conversion of one or both of these figures to man-weeks, or man-months.
- (b) The Liquor Distribution Branch employee ratio is approximately 70 per cent full-time to 30 per cent auxiliary. Compared to other large retail organizations, this is a low ratio of auxiliaries. For example, Woodward Stores operate on a ratio of 40 per cent regular to 60 per cent auxiliaries, along with most of the super-markets in the Province."

The Hon. *Grace McCarthy* replied as follows:

"1. The Honourable Member will appreciate that the 'smile' campaign is in full operation now and should continue through to the month of October which is, as you know, a very busy tourist month for us in British Columbia. Therefore, all costs relating to this campaign are not in, but as of now they are in the range of \$44,000.
