His Honour was pleased in Her Majesty's name to give assent to the said Bills.

The said assent was announced by *Ian M. Horne, Q.C.*, Clerk of the House, in the following words:

"In Her Majesty's name, His Honour the Lieutenant-Governor doth thank Her Majesty's loyal subjects, accept their benevolence, and assent to these Bills."

His Honour the Lieutenant-Governor was then pleased to retire.

On the motion of the Hon. *Eileen E. Dailly*, it was Resolved—

That the House, at its rising, do stand adjourned until it appears to the satisfaction of Mr. Speaker, after consultation with the Government, that the public interest requires that the House shall meet, Mr. Speaker may give notice that he is so satisfied and thereupon the House shall meet at the time stated in such notice and shall transact its business as if it had been duly adjourned to that time; and

That in the event of Mr. Speaker being unable to act owing to illness or other cause, the Deputy Speaker shall act in his stead for the purpose of this order.

The Hon. *Ernest Hall* (Provincial Secretary) tabled the Annual Report of the Department of the Provincial Secretary for the year ended December 31, 1974.

115 Mr. *McGeer* asked the Hon. the Minister of Lands, Forests, and Water Resources the following questions:

With respect to slash-burning—

1. How many individual slash fires have been set since August 31, 1972?
2. How many acres have been burned?

3. What is the estimated total damage to healthy timber and private property caused by slash fires burning out of control?

4. Were data obtained from Environment Canada representatives regarding inversion layers before the slash fires were set?

5. Has the amount of air pollution from slash fires been monitored by the Pollution Control Branch?

6. If the answer to No. 5 is yes, (a) what is the average number of square miles of smoke cover per acre of slash burned and (b) what was the average increase in ash fall-out per square mile of slash burned?

The Hon. *R. A. Williams* replied as follows:

"1. 2,193 slash burns to December 1974.

"2. 403,109 acres. During the effective period, approximately 1,165,641 acres were logged. Approximately one-third of the logged areas is treated by prescribed burning.

"3. \$4,148,000, being the estimated value placed on all age classes of forest trees destroyed; plus \$1,100,000, being the value placed on damage to private property, and is practically all attributed to the escape fire at Salmon Arm in 1973.

"4. Special fire weather forecasts are supplied twice daily from May through October by the Atmospheric Environment Service. Inversion information has been developed for critical areas—Greater Vancouver in 1973; Terrace and North Okanagan in 1974—and is being extended for smoke-management purposes in more areas of the Province.

"5. No.

"6. Not applicable."

126 Mr. *Curtis* asked the Hon. the Minister of Lands, Forests, and Water Resources the following questions:

1. In each location in the Province, how many car bodies have been crushed by operation SAM (Salvage Assemble Manufacture) since January 1, 1974, to the most recent date for which information is available?

2. To which crushing plant(s) are car bodies, collected under the program, delivered?

3. How many regional districts throughout the Province now co-operate with the Department on this program?

The Hon. *R. A. Williams* replied as follows:

"1. Between January 1, 1974, and December 31, 1974, Project SAM compacted 18,668 vehicles plus countless old stoves, washing-machines, and refrigerators in 95 depots in 50 communities within 19 regional districts.

"2. Assuming that the Member means shredding instead of crushing plant(s), the answer is Richmond Steel Recycling on Mitchell Island in Richmond.

"3. Nineteen regional districts co-operate with us on our program."

130 Mr. *Bennett* asked the Hon. the Minister of Municipal Affairs the following questions:

With respect to any transit operation with which the Government is involved—

1. What is the total operating expenses by any transit operation between January 1, 1974, to the latest date for which figures are available?

2. What was the total revenue from January 1, 1974, to the latest date for which figures are available?

The Hon. *J. G. Lorimer* replied as follows:

"1. and 2. Figures for 1974 for transit operations under the Provincial *Rapid Transit Subsidy Act* will not be available until third quarter 1975. Figures for operations under the *Transit Services Act* will be available in the 1974 Annual Report tabled in the House in Spring Session 1976. In summary, there are no figures at this time."

And then the House adjourned at 11.30 p.m.

Tuesday, October 7, 1975
