Bill read a second time and *Ordered* to be placed on the Orders of the Day for committal at the next sitting after today.

On the motion for the second reading of Bill (No. 64) intituled *Horse Racing Tax Amendment Act, 1980*, a debate arose, which was, on the motion of the Hon. L. A. Williams, adjourned to the next sitting of the House.

Resolved, That the House, at its rising, do stand adjourned until 10 o'clock a.m. tomorrow.

Mr. Speaker delivered the following decision:

Honourable Members:

Earlier today the Honourable Leader of the Opposition sought leave to make a motion for the adjournment of the House pursuant to Standing Order 35.

1. Sir Erskine May's 16th edition at page 370 states that the matter must not import an argument.

2. Sir Erskine May's 17th edition at pages 364–367 states that the matter must not be offered when facts are in dispute.

3. Standing Order 35 (6) (c) of this House also provides that: "The motion must not revive discussion on a matter which has been discussed in the same Session."

The Honourable Leader's written statement of the matter contravenes each of these prohibitions and therefore the provisions of Standing Order 35 may not be invoked in view of the authorities to which I have referred.

W. K. DAVIDSON, *Deputy Speaker.*

28 Mr. *Lockstead* asked the Hon. the Minister of Transportation and Highways the following questions:

With respect to the 1978/79 annual report of the Ministry of Transportation, Communications and Highways—

1. How many copies were printed?
2. How many copies were mailed as at April 28, 1980?
3. How many mailed copies in No. 2 were sent to recipients who had not requested them?
4. What was the total cost of printing the annual reports mentioned in No. 1?
5. What was the cost of mailing copies mentioned in Nos. 2 and 3?

The Hon. A. V. Fraser replied as follows:

"1. 1,708 copies.

"2. 921 copies.

"3. All mailings were to recipients on long standing mailing lists or in response to recent requests. The standing lists include B.C. Government ministries, highways districts, publications, municipal libraries, private companies and organizations, schools, universities, colleges, other Provincial Governments, motor vehicle agencies in Canada and the United States, and Federal Government offices. The mailing lists have been compiled over the years to avoid duplication but because of the consolidation of the former Ministry of Transportation and Communications, Motor Vehicle Branch, and Ministry of Highways and Public Works Reports, and the existence of separate mailing lists in the past, a few recipients may have received more than one copy.

"4. \$25,179.44.

"5. Average cost of mailing was \$1 per copy."

37 Mr. *Stupich* asked the Hon. the Minister of Transportation and Highways the following questions:

With respect to a possible new major ferry terminal on or near Gabriola Island—

1. Is this proposal still under review by the Minister's ministry and/or British Columbia Ferry Corporation?

2. If the answer to No. 1 is "yes," at what stage is preliminary or basic design for the facility and where is it to be located?

3. If the answer to No. 1 is "yes," will the Minister make public such basic design before detailed working plans are authorized?

The Hon. A. V. Fraser replied as follows:

"1. Not actively under review at this time, but still considered as an option.

"2 and 3. Answered by No. 1 above."

38 Mr. *Stupich* asked the Hon. the Minister of Transportation and Highways the following question:

With respect to the Gabriola Island Ferry—

For each of the years 1975, 1976, 1977, 1978, and 1979, how many cars and how many passengers were carried and what was the annual net loss on this route?

The Hon. A. V. Fraser replied as follows:

| "Fiscal Year | Vehicles | Passengers | Net Loss \$ |
|--------------|----------|------------|----------------|
| 1975-1976 | 158,559 | 461,791 | 842,224.95 |
| 1976-1977 | 158,604 | 457,017 | 939,286.43 |
| 1977-1978 | 175,820 | 509,948 | 1,015,683.69 |
| 1978-1979 | 237,581 | 598,521 | 1,054,644.81 |

The figure for vehicles is all-inclusive (i.e., cars, trucks, trailers and semi-trailers, buses, etc.)."

73 Mr. *Gabelmann* asked the Hon. the Minister of Transportation and Highways the following questions:

1. Has the Government spent any public money on Red Granite Point Road running through the property of Cortes Bay Marina Corporation on Cortes Island?

2. Will the Minister table copies of work orders, time sheets, or any other documentation that proves that, in fact, public money has been spent on this described roadway, pursuant to section 4 of the *Highway Act*?

The Hon. A. V. Fraser replied as follows:

"The status of this road is presently before the Courts in a case involving Cortes Bay Marina and neighbouring land owners and, as a consequence, the requested information is not a matter of record at this time."

And then the House adjourned at 5.58 p.m.
