12 Mr. *Clark* asked the Hon. the Minister of Energy, Mines and Petroleum Resources the following questions:

For each separate discount granted under the *Industrial Electricity Rate Discount Act*—

1. What is the projected power which will be consumed?
2. What is the projected revenue accruing to B.C. Hydro as a result of the discount agreement?
3. What is the revenue which would accrue if full rates were charged on the discounted power?

The Hon. *J. Davis* replied as follows:

"1. The following table illustrates the total projected consumption of power eligible for discount under the *Industrial Electricity Rate Discount Act*, as approved to date.

Company	Projected Consumption (GW.h)
Bradford-Enercon	300
Crown Forest	132.5
Canadian Occidental	134.4
Canadian Occidental	80
ERCO	138
ERCO	188.3
Finlay Forest	62.4
Gibraltar Mines	150
Highland Valley Copper	54.2
Lornex Mining	54.2
MacMillan Bloedel	92.8
Placer-Endako Mine	1,095
Utah Mines	78
TOTAL	<u>2,559.8</u>

"2. The following table illustrates the total projected revenues accruing to B.C. Hydro as a result of the separate discount agreements.

Company	Projected Revenues to B.C. Hydro ¹
	(\$ millions)
Bradford-Enercon	1.7
Crown Forest	2.0
Canadian Occidental	2.1
Canadian Occidental	1.2
ERCO	6.0
ERCO	2.9
Finlay Forest	1.1
Gibraltar Mines	2.3
Highland Valley Copper	1.4
Lornex Mining	1.3
MacMillan Bloedel	1.3
Placer-Endako Mine	15.0
Utah Mines	<u>1.3</u>
TOTAL	<u>39.6</u>

¹ These exclude water rentals which accrue to the Province.

"3. The *Industrial Electricity Rate Discount Act* was designed to make greater use of B.C. Hydro's surplus. To qualify for a discount under this Act, a company has to show that electricity on which discounts apply is incremental and that operations requiring this incremental power would not have been undertaken without the discount. Therefore, no revenues would have accrued if full rates were charged."

Mr. *Speaker* delivered his reserved opinion, as follows:

Honourable Members:

Earlier today the Honourable Member for North Island sought to move an adjournment motion under Standing Order 35 to discuss a matter of urgent public importance, arising from allegations made by a former Deputy Minister in relation to Bill No. 19. The substance of the allegations appears to be:

(1) that "two entirely separate processes" were undertaken in relation to the preparation of Bill No. 19, and,

(2) that, in fact, there was no extensive consultation undertaken with respect to Bill 19.

Honourable Members will recall that the time allotted for Question Period today was almost entirely devoted to questions to the Minister of Labour in relation to the allegations at issue. It was clear to the Chair, as well I am sure, to the Honourable Member, that the Minister did not concur in or accept the substantive elements of the allegations.

In setting forth the various general restrictions and motions under Standing Order 35, the 16th Edition of Sir Erskine May, at page 370, states that the motion must not be offered when the facts are in dispute. In the present instance, having regard to the questions and answers occurring in Question Period, there is clearly a dispute as to the facts. Accordingly, the Honourable Member's application does not qualify under the provisions of Standing Order 35.

J. REYNOLDS, *Speaker*
