Order called for "Presenting Reports by Standing and Special Committees."

Mr. *Fraser* presented the Report of the Select Standing Committee on Public Accounts and Printing, as follows:

REPORT

LEGISLATIVE COMMITTEE ROOM,

April 17, 1973

MR. SPEAKER:

Your Select Standing Committee on Public Accounts begs leave to report as follows:

Your Committee, chaired by *A. V. Fraser*, had seven meetings. We summoned, for the first time, officials of B.C. Railway and B.C. Hydro and examined them concerning fiscal policies for the year ended March 31, 1972. There were opportunities to examine vouchers supplied by Comptroller-General Jack W. Minty.

Your Committee summoned Dr. Willard E. Ireland, Chairman of the Public Documents Committee, established by the *Public Documents Disposal Act, Revised Statutes of British Columbia, 1960*, chapter 134.

Dr. Ireland reported that whereas an imperfect report to the House dated March 29, 1972, made it impossible to carry out instructions by the Select Standing Committee on Public Accounts and Printing, your Committee having heard the submission on behalf of the Public Documents Committee reconfirms the recommendation that, in accordance with provisions of the *Public Documents Disposal Act*, approval be given for the destruction of various public documents as listed in the submission to the Public Documents Committee for 1971 in so far as the following departments of Government are concerned: Agriculture; Commercial Transport; Education—Curriculum Resources Branch, Registrar's Branch, Research and Standards Branch; Finance; Health Services and Hospital Insurance—Division of V.D. Control, Division of Laboratories, Division of TB. Control, Division of Vital Statistics, Health Branch (Local Health Services), Health Branch (Central Office), Environmental Engineering Division, British Columbia Hospital Insurance Service (Hospital Construction Division); Provincial Secretary—Government House; and Public Works—Safety Engineering Services Division.

Further, your Committee having heard the submission on behalf of the Public Documents Committee recommends that, in accordance with the provisions of the *Public Documents Disposal Act*, approval be given for the destruction of various public documents as listed in the submission of the Public Documents Committee for 1972 in so far as the following departments of Government are concerned: Agriculture; Attorney-General—Land Registry, Prince George; Education—Correspondence Branch, Curriculum Resources Branch, Registrar; Finance—General; Health Services and Hospital Insurance—Division of Laboratories, Local Health Services, Division of V.D. Control, Health Branch (Central Office), BCHIS, Division of Vital Statistics; Highways and Public Works—Accounts; Industrial Development, Trade, and Commerce; Lands, Forests, and Water Resources—Forest Service; and Municipal Affairs.

All of which is respectfully submitted.

Ms. *Brown* presented the Report of the Select Standing Committee on Social Welfare and Education, as follows:

REPORT

LEGISLATIVE COMMITTEE ROOM,

April 18, 1973

MR. SPEAKER:

Your Select Standing Committee on Social Welfare and Education begs leave to report as follows:

The Committee would like to establish that it does not accept the arguments put forward by the advertising interests which appeared before this Committee; namely, that advertising is geared solely to brand changes rather than to the development of new markets. The Committee is aware that there are many studies in existence which prove the contrary, as well as the fact that much research is being done in the field geared to making advertising a more effective tool in the development of new markets. This Committee was more concerned by the growth in the number of young people who were beginning to drink and smoke than it was by the veteran smokers and drinkers cognizant of the fact that the young people were more vulnerable and susceptible to the wiles of advertising than were the veterans.

Because of this awareness of the power of the advertising media on the youth, the Committee would have liked to recommend a complete ban on advertising of all alcohol and tobacco products throughout the Province. However, the Committee recognizes the ineffectiveness of such a ban unless there is also a Federal and indeed international ban covering the advertising of these throughout the continent and the rest of the world. For these reasons, therefore, the Committee makes the following recommendations:

- (1) That representation be made to the Federal Government immediately, asking that it implement its ban on the advertising of these products, and work toward supporting a national and international advertising ban.
- (2) That representation be made to the other provinces asking that they lend support to recommendation (1), and contact the Federal Government to this effect.
- (3) That all cigarette packages, as well as all cigarette advertising in the print media, be required to carry:
 - (a) In the advertising colour;
 - (b) On the front of the package;
 - (c) In a space at least equal to the brand name on the sign or package a health warning which reads: "That cigarette smoking is dangerous to your health has been determined by the National Health and Welfare Department of Canada".
- (4) That the association of cigarette companies with promotion geared to healthy athletic events be ended.
- (5) That the allocation of Provincial Government funds be made in consultation with the Citizens' Advisory Committee to the Alcohol and Drug Commission, and further that the emphasis of this expenditure be on counter advertising, research, education, rehabilitation, sports, and cultural activities.

6. The Committee endorses the Morrow Commission recommendations on Code of Advertising 3 (a) to (g):

- (a) Advertisements shall not encourage the consumption of alcoholic beverages per se, but may encourage the preference of existing customers for a particular brand or brands:
- (b) Advertisements shall not attribute to alcoholic beverages or any claim, direct or implied, of healthful, nutritive, curative, dietetic, stimulative, or sedative qualities or properties:
- (c) Advertisements shall not make any direct or implied appeal to minors:
- (d) Advertisements shall not convey the impression that the consumption of alcoholic beverages is conducive to social prestige, business success, popularity with the opposite sex, or escape from personal problems:
- (e) Women (and men) may not be included in illustrations unless they are depicted as persons of maturity, dignity, and moderation, and are engaged in dignified activities of a wholesome nature, consistent with accepted modern-day standards. Women (men) will not be shown in immodest, vulgar, or provocative dress or situations and there shall be no exploitation or utilization of the female (male) form as the primary theme:
- (f) Advertising premiums of any nature, except recipe books and descriptions of alcoholic beverages, are expressly prohibited:
- (g) Whenever any reference or implication of any nature is made regarding the origin of a product, the country where the alcoholic beverages are distilled, compounded, manufactured, mixed, blended, or bottled, as the case may be, the same shall be clearly specified in any advertisements thereof.

7. Consult with the residents of the Indian reserves in our Province to ask them to consider a ban on alcohol and tobacco products on billboards on their reserve.

8. That the ban on billboard, radio, and television media continue.

All of which is respectfully submitted.

ROSEMARY BROWN, *Chairman*

By leave of the House, the Rules were suspended and the report adopted.

Mr. G. H. Anderson presented the Report of the Select Standing Committee on Agriculture, as follows:

REPORT

LEGISLATIVE COMMITTEE ROOM,

April 18, 1973

MR. SPEAKER:

Your Select Standing Committee on Agriculture begs leave to report as follows:

On February 21, 1973, on the motion of the Hon. D. D. Stupich, it was *Ordered*:

That this House authorize the Select Standing Committee on Agriculture to inquire into the question of Government financial assistance for the operation of a wholesale outlet to service member-run, bulk-buying food co-operatives in British Columbia:

The Committee shall have the power to send for persons, papers, and records, and to hear representations from such organizations and individuals as may, in their

discretion, appear necessary, and shall report its findings and recommendations to the House.

1. In its inquiring your Committee held two public hearings on the question of Government financial assistance for the operation of a wholesale outlet to service member-run, bulk-buying food co-operatives in British Columbia. Appearing before the Committee were:

- (a) Mr. Dana Weber and Mrs. Lis Kenny, who presented a brief on behalf of Fed-Up Co-operative Wholesalers.
- (b) Mr. Alan A. Parker, who spoke as an observer from B.C. Central Credit Union and as a member of the Kitsilano Co-op.
- (c) Mr. Paul Phillips, of the Amor de Cosmos Co-op.
- (d) Mr. R. H. Boyes, President of Federated Co-operatives Limited, assisted by Messrs. W. E. Bergen and R. B. Johnson, presented a brief on behalf of Federated Co-operatives Limited.

2. At the first sitting of the Committee, a brief was presented by the Fed-Up Co-operative Wholesalers requesting Government financial assistance for operation of supplying member-operated co-op clubs in various centres around the Province. The evidence they presented of their activities over the past two years indicates to your Committee a steady growth in the member-run, food-buying co-operatives for people who are mainly of low income. Their business practices seem reasonably sound but their growth hampered by the lack of funds that would enable them to purchase in bulk quantities and receive full advantage of beneficial discounts.

Therefore, the Select Standing Committee on Agriculture has considered the request of the Fed-Up Co-operative in British Columbia, and in the opinion of your Committee, the request of this organization has merit and is worthy of favourable consideration.

All of which is respectfully submitted.

G. H. ANDERSON, *Chairman*

The report was read and received.

On the motion that the Rules be suspended and the report adopted, leave was not granted.

Mr. *Lea* presented the Report of the Special Committee on Television Broadcasting, as follows:

Resolved, That a Special Committee on Television Broadcasting be appointed to examine into educational television and the obtaining of broadcast facilities for dissemination of proceedings of the Legislature during its sessions and that it be composed of Ms. *Young*, Messrs. *Curtis*, *Smith*, *McClelland*, *D. A. Anderson*, *Steves*,

G. H. Anderson, Lea, the Hon. *W. L. Hartley*, and the Hon. *Eileen E. Dailly*, and that the Committee report its recommendations to the House:

That the said Committee consult with and advise the Speaker with respect to placement and use of television within the chamber should cameras be permitted to record the proceedings.

The organizational meeting was held on Tuesday, February 20, 1973. Mr. *Graham Lea*, M.L.A., was elected as chairman and Mr. *Gerald H. Anderson*, M.L.A., as secretary.

The Committee held five meetings and the following individuals and groups appeared before it with submissions:

Metro Media, Vancouver;

John B. Hall, Senior Electrical Engineer, Department of Public Works;

Alan J. Hodgson, Architect Consultant, Victoria;

Hon. *Gordon H. Dowding*, Speaker.

The Committee recommends that Mr. Speaker assign Mr. Maurice Chazottes to work with the Department of Public Works to obtain proposals from three or four TV. system suppliers in order that the Public Works Department can present to this Committee during the fall session a number of proposed methods of remotely operated camera systems. Further, that the Department keep in mind the findings of the subcommittee report to Mr. Speaker.

The Committee also recommends that the Committee be reconvened in the fall with the same terms of reference and membership.

All of which is respectfully submitted.

The said assent was announced by *E. K. DeBeck*, Esq., Clerk of the House, in the following words:

"In Her Majesty's name, His Honour the Lieutenant-Governor doth assent to these Bills."

Then His Honour the Lieutenant-Governor was pleased to deliver the following gracious Speech:

Mr. Speaker and Members of the Legislative Assembly:

It is with great pleasure that I address you for the first time since my appointment as representative in this Province of Her Majesty the Queen. Your deliberations during the Second Session of the Thirtieth Parliament have resulted in a record number of Bills and I express my appreciation at this time for your careful and detailed consideration of the legislation. This legislation lays the foundation for the course of action required to face the changes demanded by the present, and to implement my Government's plans for the future of this Province, where our citizens may fully realize their highest potential and live in harmony with the environment and with their fellow men.

Important and far-reaching measures have been enacted to develop and preserve the parks, green belts, and agricultural land in the Province, to ensure the

orderly and proper development of our natural resources, to control and regulate our energy resources, to encourage the development of industries, including the preservation of important existing industries in the northwest part of the Province, to increase financial assistance to home-owners, farmers, and municipalities, and assistance by way of other programmes for the benefit of our citizens of all ages, and to inaugurate a publicly owned automobile insurance plan. These are but the highlights of an imaginative and progressive people-oriented programme of legislation brought in by my Government since the opening day of this Session.

Members of the Legislative Assembly, I thank you for your earnest deliberations and labours, the results of which are now embodied in this body of legislation. Honourable Members, I now relieve you of your legislative duties, and I trust that the blessing of Divine Providence will accompany you to your respective homes.

The Hon. *Ernest Hall* (Provincial Secretary) then said:

Mr. Speaker and Members of the Legislative Assembly:

It is His Honour the Lieutenant-Governor's will and pleasure that the Legislative Assembly be prorogued until it shall please the Lieutenant-Governor to summon the same for dispatch of business, and this Provincial Legislative Assembly is hereby prorogued accordingly.

The House prorogued at 6.03 p.m.
