

PETITION.

To the Speaker and Members of the Legislative Assembly of the Province of British Columbia:

VICTORIA, B. C., April 2nd, 1894.

We, the undersigned citizens, beg to ask your honourable body to strike out that portion of the proposed amendment of the "Municipal Act," of the closing of Barber shops on Sundays until 12 o'clock noon, as we consider the Sunday opening a public necessity, for the following reasons:—

1. That the citizens, to a great extent, require accommodation of this kind on Sunday mornings.

2. That the travelling public need the same attention on the same day. Therefore we, the undersigned petitioners, respectively beg that the clause on the proposed "Municipal Act" relating to the closing of the barber shops on Sundays be struck out, to allow the continuation of this very necessary occupation.

And your petitioners will ever pray.
