Resolved, That the House, at its rising, do stand adjourned until 2 o'clock p.m. on Monday next.

Mr. Speaker delivered his reserved opinion as follows:

Honourable Members:

On Wednesday, April 29, the Honourable 1st Member for Vancouver Centre made a motion, pursuant to Standing Order 35, which motion reads as follows:

"That the House do now adjourn to debate the unanimous request of Vancouver City Council that the Provincial Government refund \$12.1 million in excess school property tax revenues to city homeowners."

In addition to the motion, the Member submitted a written statement described as a "Chronology of Events".

In my respectful opinion, the matter does not qualify under the Rules for the following reasons:

1. The material submitted contains matters of argument.
2. A request from a city council for a refund from the Provincial Government is not a matter which fits into the categories outlined in May, 16th edition, commencing at page 368. I quote, in particular, the words of Mr. Speaker Peel, appearing on page 369: "What I think was contemplated was the occurrence of some sudden emergency, either in home or foreign affairs. But I do not think it was contemplated . . . that a question of very wide scope, which would demand legislation to deal with it in any effective manner, should be the subject of discussion. . . ."
3. The matter complained of has been one which, on the Member's own material, has been continuing since December 1, 1980, and the recent resolution of the Vancouver City Council does not change the matter into a "recent occurrence" within the meaning of the Rules so often stated in this House.

Finally, I would refer honourable members to the decision of this House on April 22, 1981, dealing with a similar application.

H. W. SCHROEDER, *Speaker*

And then the House adjourned at 12.55 p.m.

Monday, May 4, 1981

TWO O'CLOCK P.M.

Prayers by the Rev. *Robert Mitchell*.

Pursuant to Order, the House again resolved itself into the Committee of Supply.

The Hon. *P. S. Hyndman*, Minister of Consumer and Corporate Affairs, tabled the Trade Practice Act Annual Report, 1980.

32 Mr. *Skelly* asked the Hon. the Minister of Environment the following questions:

With respect to part six Pesticide Control Act Regulations—

1. How many permits were issued under section 22 (a) for each calendar year 1978 to 1981?

2. What pesticide substances were permitted for use (section 22 (e) Pesticide Control Act Regulations) in each calendar year 1978 to 1981?

3. What was the total quantity of each of the above pesticide substances used in the Province for each calendar year 1978 to 1981?

The Hon. *C. S. Rogers* replied as follows:

"1. Section 22 (a) of the Pesticide Control Act Regulation provides for the issuance of aquatic or public land pesticide use permits. The number of such permits issued in each calendar year from 1978 to 1981 is as follows: 1978, 468; 1979, 409; 1980, 330; and 1981, 140 to date.

"2 and 3. Please note the error in the original question; section 22 (e) is here taken to be 22 (a). (There is no section 22 (e).) Resolved, That the House, at its rising, do stand adjourned until 2 o'clock p.m. tomorrow.

Mr. Speaker delivered his reserved opinion as follows:

Honourable Members:

Today the Member for New Westminster sought to move adjournment of the House, under Standing Order 35, to discuss a definite matter of urgent public importance, namely, space in acute care hospital facilities.

In considering whether the matter qualifies to set aside the regular business of the House, I have perused the statement presented to the Chair in support of the application.

The statement contains detailed argument which, in itself, would be sufficient to set the application outside the scope of Standing Order 35.

In addition, however, the statement claims that the matter is one of long-standing. May's 16th edition, at page 370, points out that: "The fact that a grievance is continuing is not sufficient if it is not of recent occurrence."

Finally, the estimates of the Ministry of Health have yet to be considered in Committee of Supply, and therefore *the application must be refused*, as an ordinary parliamentary opportunity will occur when the matter may be discussed. (May, 16th edition, page 371.)

H. W. SCHROEDER, *Speaker*

And then the House adjourned at 5.57 p.m.

Mr. Speaker delivered the following ruling:

Honourable Members:

Earlier today the Honourable Member for Skeena raised, as a matter of privilege, the content of a broadcast described as a "newscast", allegedly containing statements which offered indignities to the House by reflecting on its character or proceedings.

The Honourable Member referred to the provision of 16th edition of Sir Erskine May, at page 117, in support of his complaint.

It is interesting to note that the reference quoted is based on a resolution of the British House of Commons passed in the year 1701 and relates to constructive contempts arising from speeches or writings reflecting on the House. The same edition of Sir Erskine May, pages 135 and 142, also states that when such a complaint is founded upon something published in a letter, book or newspaper, the document or writing, "*must be produced in the House and the pages complained of read for the information of the House.*"

In the present instance no transcript of the words complained of was presented to the House by the Honourable Member who founded his complaint solely on the allegation, and I quote: "In the newscast, the Premier was reported to have said . . ."

In the face of this deficiency, the Chair cannot see how the House could further proceed in the matter and consequentially it is unnecessary to consider any other aspect of the matter *including* the possible irregularity of the motion itself proposed to be moved by the Honourable Member.

H. W. SCHROEDER, *Speaker*

And then the House adjourned at 5.45 p.m.

Friday, May 22, 1981
