

PETITION.

To the Honourable the Speaker and Members of the Legislative Assembly of the Province of British Columbia:

The petition of the undersigned Barbers of the City of Victoria, humbly sheweth:—

That whereas it is desirable for the best interests of the citizens of our Province that the institution of the Christian Sabbath be honoured by all classes of the community alike;

And whereas Barber shops are permitted to do business on the Sabbath Day, but a great majority of the Barbers would prefer to close their shops;

Therefore, your petitioners humbly pray your Honourable Body to pass a law prohibiting the opening of these places of business on the Christian Sabbath.

And your petitioners, as in duty bound, will ever pray, &c.
