TEN O'CLOCK A.M.

Prayers by Mr. Speaker.

Mr. Speaker delivered a reserved opinion as follows:

Honourable Members:

Yesterday the Honourable Member for Prince Rupert asked leave, under Standing Order 35, to make a motion for the adjournment of the House to discuss a definite matter of urgent public importance, namely, the content of a telegram "indicating that the Fisheries Department of the Government of Canada has decided not to enforce the A and B Line which is the international boundary between the Alaskan Panhandle and British Columbia." The Honourable Member's statement goes on to say that thousands of pounds of fish may thereby be lost to British Columbia fishermen.

The duty of the Speaker in considering matters under Standing Order 35 is twofold. First, to determine not the “urgency” of the matter raised, but whether, *prima facie*, there is such an “urgency of debate” that notice of motion should be dispensed with, and all other business of the House be put aside, and second, to determine in accordance with the authorities whether or not the many general and special restrictions on such motions are applicable.

Although the Honourable Member for Prince Rupert may have brought to the attention of the House a matter of considerable concern and a matter of some “urgency”, it must fail in view of the authorities relating to motions under Standing Order 35. It is stated in the 16th edition of Sir Erskine May at page 371 “the motion has been refused when an ordinary parliamentary opportunity will occur shortly or in time”. This restriction has been applied in this House on a number of previous occasions, for instance in the Journals 1973 at page 155 and the Journals of 1977 at page 55.

The issues in question fall under the purview of one or more ministries, consideration of whose Estimates which, by Order of the House, have priority over all other business, are yet to be considered.

Under this circumstance there is no mandate to dispense with the usual notice of motion, and I so rule.

H. W. SCHROEDER, *Speaker*

Mr. *Lea* stated he wished to appeal the Speaker’s opinion.

Mr. Speaker ruled that his ruling on a matter raised under Standing Order 35 was not subject to appeal.

The ruling of the Speaker was challenged.

The ruling of the Speaker was sustained on the following division:
