Has the B.C. Ferry Corporation entered into an agreement with Vancouver Island Tourist Services Ltd. to supply brochures on B.C. ferries and, if so: (a) when does the agreement take effect; (b) is the agreement subsidized by any Government agency; (c) did the terms of this agreement state that the supplier would be allowed to solicit U.S. clients and, if so, were all applicants made aware of this fact in establishing their rate structure; and (d) does B.C. Ferries have a reciprocal agreement with U.S. ferries on the placement of brochures on respective ferries?

The Hon. *A. V. Fraser* replied as follows:

“The B.C. Ferry Corporation has entered into an agreement with Vancouver Island Tourist Services to supply brochures on various B.C. Ferries vessels: (a) the agreement takes effect May 1, 1985; (b) the agreement is not subsidized by any Government Agency; (c) there are no terms in the contract as to whom V.I.T.S. can solicit, however, there is an understanding that British Columbia brochures receive priority and shall not be restricted by any other brochure. The contract states that B.C. Ferries may remove brochures which are, in the opinion of the Corporation, unsuitable for display. Applicants were aware of the B.C. priority; and (d) B.C. Ferries has no reciprocal agreement with U.S. ferries (Washington State Ferries) on the placement of brochures on respective ferries. There are British Columbia brochures on the U.S. vessels, however, this has nothing to do with B.C. Ferries.”
