

PETITION.

o

To the Honourable the Speaker and Members of the Legislative Assembly of the Province of British Columbia, in Parliament assembled:

The petition of the undersigned, the Women's Council of Victoria, humbly sheweth:—

That your petitioners are desirous that an Act should be passed amending Section No. 18 of the Pharmacy Act, in such manner as may guard against the danger of accidental poisoning, by making it compulsory that all liquid poisons be dispensed in bottles of a dark colour and rough to the touch.

And your petitioners will ever pray, etc.

Victoria, B. C., 22nd February, 1897.

LOUISE BAKER,
President of Local Council of Women, V. and V. I.
