

REPORT OF SELECT COMMITTEE ON LANDS NEAR
JAMES' BAY BRIDGE.

To the Honorable the Legislative Assembly of British Columbia.

Your Committee, appointed for the purpose of considering the practicability and expediency of deeding all that part of the Inlet east of the westerly side of James' Bay Bridge in the city of Victoria, to the City of Victoria, for the purpose of holding Agricultural and Horticultural Exhibitions, have the honor to report as follows:

1. They have ascertained that about eleven and one third acres of the said Inlet belongs to and the title is vested in the Crown.

2. That all the land above high water mark east of the said Inlet belongs to private individuals.

3. That they have been unable to ascertain whether the owners of the said lands contiguous to the Inlet possess the right to the water frontages to their respective property.

4. That they recommend the transfer of the said Inlet to the city of Victoria, for the purpose of holding Agricultural and Horticultural Exhibitions, provided that such transfer does not nor will not interfere with present existing rights.

All of which is respectfully submitted.

A. BUNSTER,

Chairman.
