# PETITION.

---

*To the Honourable the Speaker and Honourable Members of the Legislative Assembly  
of the Province of British Columbia, in Parliament assembled:*

The humble petition of the undersigned settlers of Gabriola Island sheweth:—

1. That your petitioners beg to draw the attention of your Honourable Body to the insecurity of live stock, such as sheep and cattle, not only on this island but also on adjacent islands.

2. That on this island your petitioners complain that hunters are in the habit of coming here for the purpose of hunting, and of bringing with them packs of all kinds of dogs, and that these are given to roaming over the island, and to chasing and killing the sheep that happen to come in their way.

3. That your petitioners pray that such legislation be enacted as will tend to the greater security of live stock, not only on this island, but also on Valdez, DeCoursey and Mudge Islands.

And your petitioners, as in duty bound, will ever pray.

THOMAS JAMIESON,  
JAMES JAMIESON,  
JAS. McLAY,  
and 31 others.
