
PETITION.

To the Honourable the Legislature of British Columbia:

This petition humbly sheweth:—

That in this district your petitioners have observed that in this district and in many parts of this Province the Lord's Day is desecrated by other than works of necessity, and is detrimental to the best interests of society, morals and good government.

Therefore your petitioners pray you to enact laws for the better observance of the Lord's Day, either the Bill before your Honourable House or one similar to it, which will confine the work done on that day to those of necessity and mercy.

And your petitioners, as in duty bound, will ever pray.

JOHN A. LOGAN,
Moderator of Session and Congregation.

W. M. WOOD,
Secretary.
